## Experiences

Lewis Color, Inc. | Summer work | Web Developer  
May – August 2017

Migrated custom-developed business card generator to Pressero Storefront platform, including recreating all cards in Adobe Acrobat and setting up approval system. Redesigned existing coupon book program website to match modern design principles, code best practices, and clearer explanations.

East Georgia State College | Student Worker | IT Assistant  
August 2016 – May 2017

Performed various IT-related duties around the college, including providing technical support, overseeing a computer study lab, and working with co-workers in auditorium control room for events.

Lewis Color, Inc. | Paid internship | Web Developer  
April – July 2016

Enacted all development, management, and maintenance aspects of the CarDoozy program (CarDoozy.com), a PHP-based e-commerce site targeted towards car dealers to provide state-required printed forms and commonly used dealer products. Created a single page promotional website.

South GA Church of God Youth Camp | Volunteer | Media Crew  
June – July 2015, June – July 2016, June 2017

Responsible for coordinating with the other members to capture footage of the day's activities for compilation into an evening review video. Managed a live-stream camera, following a director's commands.
